The Kentucky Craft Marketing Program is
a division of the
Kentucky Arts Council in the
Education, Arts and Humanities Cabinet.

Dear Friends:

The Market is a premier showcase for the wide array of talented artisans in the Commonwealth of Kentucky. I am proud of the hundreds of small and unique companies throughout our state that work hard to present the best crafts, art, books, food and music that they have to offer. These businesses are vital contributors to our cultural heritage, representing an entrepreneurial spirit that enhances the economy and the quality of life for all Kentuckians.

The craft industry in Kentucky annually contributes \$52.5 million to the state's economy. Kentucky is recognized as a model state for its craft programs and its role in the \$14 billion national craft industry. As a collaborative effort of numerous state agencies and private organizations, the Market extends the reach of government in a most efficient and effective way. Partnering with the arts and agriculture, we are enhancing the state's image and joining in other groundbreaking initiatives to strengthen the climate for tourism and business in Kentucky.

Kentucky Crafted: The Market is the nation's first, and remains one of the very few, state-sponsored events, of this type. For the eighth year, the Market is recognized as one of the Southeast Tourism Society's Top Twenty Events.

Come to Kentucky Crafted: The Market, and see why "We got it Made in Kentucky!"

Sincerely,

Paul E. Patton
Governor
